IN THE VOID

KNIGHT

...huh? Where am I? What is ...! Me lady! My lady! Your highness, where art thou!? Gah, how did this happen?

SORCERER

Welcome to my realm, armored one. It seems you seek the princess.

KNIGHT

I do. Where is she? And what sort of black magic have you performed here?

SORCERER

She is with me. Worry not, all you have to do to get her back is fight me.

KNIGHT

Fight you, when you have stripped me of my sword and my stallion? How underhanded you are, villain.

SORCERER

Hahahaha. Yes, it would seem that way, would it not? Now prepare yourself, with your sharpest blade
. . . .
